Dear Fellow Boaters,

I am extremely pleased to announce that Scorpion Bay Marina & Yacht Club will be opening our World Class marina on May 1st, 2008, with slips available starting April 15th. Here are just a few of the highlights of this incredible facility:

- Tram service from the parking lot to your dock. That's right, a tram ride of less than 3 minutes takes you and your gear from the unloading zone on the blacktop parking lot down to the docks.
- Every slip has a million dollar view. Some may say we are exaggerating....we ask you to come on out and see for yourself.....then compare.
- As your marina manager, I am proud of the fact that I have over 20 years of marina management experience both on Lake Pleasant and Lake Powell. In addition, I serve on the Board of Directors of the Association of Marina Industries. I am also pleased to announce that Taylor Yancey will be joining Scorpion Bay as my top assistant. The entire staff at Scorpion Bay will be professional and here to serve your needs.
- Dillon's - We are excited to announce that an experienced professional restaurant group will be operating the bar and restaurant along with the convenience store and deli. Dillon's currently operates three successful restaurants in metro Phoenix and will bring many of their popular menu items. Great food, great cocktails...bring your friends. Bring your family. Grand Opening is tentatively scheduled for early July.
- Full service fuel dock will be operating by May 5th.
- Throughout the boating year there will be several docktail parties, live music events and marina sponsored parties....fun for all.
- The most competitive priced slips on Lake Pleasant!!!!
- More great news...if you reserve your slip before April 30th, 2008, you are assured the same slip rate for the 2009 boating season as well.

Lake Pleasant is a beautiful body of water just waiting to be explored and now you have a World Class marina to do your boating from. Please call me if you have any questions or would like a personal tour of the facility at 623-297-9920.

Warmest Regards,
